

Sexuality Education

Among Friends

Provides social-sexual support services, including:

Coaching Services: professional coaching and healing for social-sexual concerns for individuals, couples, and other relationship configurations.

Behavior Supports: helping families, individuals and communities address unhealthy, unsafe, illegal and inappropriate behaviors. Serving individuals with intellectual/developmental disabilities or neurological variations, along with their family members and support staff.

Trainings, Events, and Presentations: quality trainings, playful events and educational presentations for any size gathering.
